## **CAMPUS AMBASSADOR PROGRAM**

You can be the next ***PRESIDENT!***

Campus ambassador program provides you an opportunity to represent yourself as the Student President of SKCF in your own college/campus. As part of the program, the volunteer is expected to portray leadership skills, presentation and communication skills. The volunteer will be serving the NGO through spreading awareness of the events taking place in the NGO, raising funds and forming a community or group of students with similar interests to reach out to underprivileged children and bring them under the shelter of SK Children Foundation.

### **Learning Opportunities:**

- Networking i.e. through this program, you can build your connections, both within your college and outside the college.
- It will enrich your skill-set with qualities such as communication, team management, marketing etc.
- You will be able to work on your leadership skills by becoming the bridge between your college and the NGO.
- You will be mentored during the whole duration of your internship.

### **Responsibilities:**

- To increase the outreach of the NGO by regularly promoting the events and feats of the NGO through social media platforms, as well as offline promotions in your college.
- Creating a team in your own college/campus which will carry forward all the activities under SKCF.
- Performing fundraising activities on a regular basis.

## **About the Work from Home / Internship:**

- Candidates need to reach out to students in their campus by spreading awareness by dropping mails, creating a Whatsapp group or contacting them.
- Post regularly about the NGO on your social media, bring in more followers in order to increase the reach of the NGO.
- Keep a regular check on the entire team for the smooth functioning (According to the post held in the organization)
- Create a Google drive where the screenshots of the tasks given should be uploaded.
- Active participation in the meetings and events that will be held by the NGO.
- If a group of under-privileged children in your locality needs help for education then report to the NGO for taking further steps.

## **Skills Required:**

- Leadership qualities along with being confident.
- Communication and interpersonal skills.
- Networking should be good, preferably the person should have a good reach on their social media platforms.

**Duration:** 4 months

## **Perks and Benefits:**

- Certificate of Appreciation
- Letter of Recommendation (based on performance)
